Except as expressly licensed in this Agreement, this Agreement does not transfer any intellectual property rights between the Parties, and no license or other rights in or to a Party’s or its Affiliates’ products, services, or intellectual property is granted under this Agreement, and all such licenses and rights are expressly reserved.

5.2 Auctane, on behalf of itself and its Affiliates, grants to Company the non-exclusive, non-transferable, non-sublicensable, revocable, limited right to use the trademarks and logos of Auctane and/or its Affiliates (collectively, the “**Auctane Marks**”) solely in connection with fulfilling Company’s obligations and exercising Company’s rights under this Agreement. All such uses of the Auctane Marks must be pre-approved in writing by Auctane before any publication thereof, and Company agrees to use the Auctane Marks only in the manner approved by Auctane. The permission granted herein shall end upon the termination or expiration of this Agreement and may be earlier terminated by Auctane in its sole discretion upon written notice. Company acknowledges and agrees that, as between the Parties, Auctane is the owner of the Auctane Marks, and Company shall take no action inconsistent with Auctane’s ownership in the Auctane Marks. Company shall not, now or in the future, apply for or contest the validity of any Auctane Marks or apply for or use any term, mark, or logo that may be confusingly similar to any Auctane Marks.

5.3 Company grants to Auctane and its Affiliates the non-exclusive, non-transferable, non-sublicensable, revocable, limited right to use Company’s trademarks and logos (collectively, the “**Company Marks**”) solely in connection with fulfilling their respective obligations and exercising their respective rights under this Agreement. All such uses of the Company Marks must be pre-approved in writing by Company before any publication thereof, and Auctane agrees to use the Company Marks only in the manner approved by Company. The permission granted herein shall end upon the termination or expiration of this Agreement and may be earlier terminated by Company in its sole discretion upon written notice. Auctane acknowledges and agrees that, as between the Parties, Company is the owner of the Company Marks, and Auctane shall take no action inconsistent with Company’s ownership in the Company

Marks. Auctane shall not, now or in the future, apply for or contest the validity of any Company Marks or apply for or use any term, mark or logo that may be confusingly similar to any Company Marks.

5.4 If a Party or any of its Affiliates receiving a license under this Agreement (collectively, the “**Licensee**”), in the course of performing its obligations under this Agreement, acquires any goodwill in any of the trademarks and logos of the other Party or its Affiliates, all such goodwill will automatically vest in the Party granting the license (the “**Licensor**”) when such acquisition of goodwill occurs, as well as at the expiration or termination of this Agreement, without any separate payment or other consideration of any kind to Licensee, and Licensee agrees to take all such actions necessary to effect such vesting.

5.5 Company grants to Auctane and its Affiliates a worldwide, perpetual, irrevocable, fully paid-up, royalty-free, transferable, sublicensable (through multiple layers), assignable license to implement, use, modify, commercially exploit, and incorporate into their services or products any suggestion, enhancement request, recommendation, correction, or other feedback provided by Company, its Affiliates, or any third parties acting on Company’s behalf. Auctane and its Affiliates also reserve the right to seek intellectual property protection for any features, functionality, or components that may be based on or that were initiated by suggestions, enhancement requests, recommendations, corrections, or other feedback provided by Company, its Affiliates, or any third parties acting on Company’s behalf. Company also grants to Auctane and its Affiliates a non-exclusive, worldwide, perpetual, irrevocable, fully paid-up, royalty-free, transferable, sublicensable (through multiple layers), assignable license to use any statistical and other information and data transmitted, derived or gathered in connection with this Agreement to create a version or versions of such information and data (the “**Aggregate Data**”) and to disclose and otherwise use the Aggregate Data for any legitimate business purpose including data and market analysis and aggregation, general reporting, and service optimization. Auctane shall own all right, title, and interest, including all intellectual property rights, in and to the Aggregate Data, and the Aggregate Data shall not be considered Confidential Information of Company.

6. CONFIDENTIALITY

6.1 “**Confidential Information**” means all information or data (in written, electronic, or other form, or oral information) that: (i) is related to, owned, or controlled by a Party (the “**Disclosing Party**”) or its Affiliates, valuable to the Disclosing Party or its Affiliates, and not generally known or readily available through legal means to the other Party (the “**Receiving Party**”), including without limitation any trade secrets, project files, product or system designs, drawings, sketches, processes, new or existing product development, production characteristics, testing procedures and results thereof, engineering evaluations and reports, business plans, financial statements, projections, operating forms (including contracts), operating procedures, payroll data, personnel records, non-public marketing materials, plans and proposals, customer lists and information (including contact and usage information), target lists for new clients and information relating to potential clients, software, computer programs, training manuals, policy and procedure manuals, price, cost, and postage rate information, business strategy, and any information received under an obligation of confidentiality to a third party; or (ii) pertains to the terms and conditions of this Agreement and the business arrangements described herein.

6.2 Notwithstanding the foregoing, “Confidential Information” shall not include, and this Agreement imposes no obligation with respect to, any information that (i) is or becomes generally publicly available through no act of the Receiving Party or its Affiliates or Representatives (as defined below); (ii) is already known to, or in the possession of, the Receiving Party or its Affiliates or Representatives at the time of the disclosure, without any obligation of confidentiality; (iii) is independently developed by the Receiving Party or its Affiliates or Representatives, without the use of the Disclosing Party’s Confidential Information; (iv) is received by the Receiving Party or its Affiliates or Representatives from a third party under no obligation of confidentiality to the Disclosing Party; (v) is disclosed publicly under operation of law; or (vi) is disclosed publicly by the Receiving Party with the Disclosing Party’s prior written approval.

6.3 Except as otherwise authorized by the Disclosing Party, the Receiving Party shall not disclose any Confidential Information of the Disclosing Party to third parties other than to its Affiliates and their respective directors, managers, members, officers, partners, employees, agents, representatives, advisors, controlling persons, contractors and consultants (collectively, “**Representatives**”) who need to know such Confidential Information for the Receiving Party to perform its obligations under this Agreement and who are bound pursuant to a written agreement or otherwise by confidentiality obligations with the Receiving Party that are no less restrictive than those set forth in this Agreement. The Receiving Party shall not use any Confidential Information of the Disclosing Party for any purpose except as necessary to perform its obligations under this Agreement or as otherwise permitted under this Agreement. The Receiving Party shall use the same procedures and controls the Receiving Party employs to protect its own confidential information of like importance, but in no event less than reasonable means, to preserve the confidentiality, and avoid

the unauthorized use or disclosure, of the Disclosing Party's Confidential Information. The Receiving Party shall be responsible for any breach of this Agreement by its Affiliates or Representatives.

6.4 The Receiving Party may disclose Confidential Information in response to a valid order of a court or authorized governmental agency; provided that notice, to the extent legally permitted, is promptly given to the Disclosing Party so that a protective order or other appropriate relief may be sought and other efforts employed to minimize the required disclosure. The Receiving Party shall use reasonable efforts to cooperate with the Disclosing Party in seeking the protective order or other relief and engaging in such other efforts. In the event that such protective order or other relief is not obtained, the Receiving Party shall disclose only that portion of the Confidential Information which the Receiving Party's counsel advises is legally required to be disclosed. The disclosure of Confidential Information under this Section shall not be construed as a public disclosure of such Confidential Information by a Party for any purpose whatsoever.

6.5 The Receiving Party acknowledges that the Disclosing Party may suffer irreparable damage in the event of any breach of this Section 6 and, accordingly, shall have the right to take all reasonable steps to protect its Confidential Information, including, but not limited to, seeking injunctive relief and any other remedies as may be available at law or in equity in the event the Receiving Party or its Affiliates or Representatives does not, or threatens not to, fulfill its obligations under this Section 6.

6.6 As between the Parties, Confidential Information shall at all times remain the property of the Disclosing Party. Except as expressly set forth herein, this Agreement does not grant any Party or its Affiliates any rights in or to the Confidential Information of the other Party. The disclosure of Confidential Information to the other Party hereunder shall not be construed as a public disclosure of such Confidential Information by a Party for any purpose whatsoever.

6.7 Upon the Disclosing Party's written request, the Receiving Party shall promptly destroy or deliver to the Disclosing Party all Confidential Information received from the Disclosing Party, including any documents, notes, or other physical embodiments of, reflecting, or derived from the Confidential Information (including any copies thereof), that are in the Receiving Party's or its Affiliates' or Representatives' possession or control. Notwithstanding the foregoing, the Receiving Party shall be permitted to retain copies of the Confidential Information (i) in order to comply with any applicable law, court, regulation or regulatory authority, (ii) for dispute resolution purposes, and/or (iii) in electronic form on the Receiving Party's automatic backup or archival systems provided that such backed up or archived information is destroyed in accordance with the Receiving Party's records retention policy. Any retained information shall be maintained in confidence and utilized solely for the purpose for which it retained. Notwithstanding any such return or destruction of Confidential Information, the Receiving Party and its Affiliates and Representatives will continue to be bound by their obligations of confidentiality hereunder.

7. REPRESENTATIONS AND WARRANTIES

7.1 Each Party hereby represents and warrants to the other Party that it has the requisite authority to enter into this Agreement and to perform all of its obligations hereunder, and that this Agreement has been duly and validly executed and delivered by such Party and constitutes a legal, valid, and binding obligation, enforceable against such Party in accordance with its terms.

7.2 Each Party hereby represents and warrants to the other Party that it will comply with all applicable laws, rules, regulations, directives (and governmental obligations) that relate to data protection and security, privacy and the use of information relating to individuals and/or the information rights of individuals, which may include, but may not be limited to the General Data Protection Regulation (EU) 2016/679 (GDPR) and the California Consumer Privacy Act of 2018.

8.2 IN NO EVENT SHALL EITHER PARTY (INCLUDING ITS AFFILIATES OR REPRESENTATIVES) HAVE ANY LIABILITY TO THE OTHER PARTY OR THE OTHER PARTY'S AFFILIATES WITH RESPECT TO ANY ASPECT OF THEIR PERFORMANCE HEREUNDER, THE PROGRAM EXHIBIT(S), ANY PRODUCTS OR SERVICES, OR OTHERWISE FOR ANY SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF REVENUE, PROFITS, SOFTWARE, GOODWILL, OR DATA, OR COSTS OF COVER OR REPLACEMENT), EVEN IF SUCH PARTY, AFFILIATE OR REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR COULD HAVE FORESEEN SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY. THE EXISTENCE OF MORE THAN ONE CLAIM SHALL NOT ENLARGE THIS LIMIT. NO ACTION MAY BE BROUGHT OR ARBITRATION DEMANDED AT ANY TIME MORE THAN TWELVE (12) MONTHS AFTER THE CAUSE OF ACTION OR ARBITRATION AROSE. NOTWITHSTANDING THE FOREGOING, THE LIMITATIONS IN THIS SECTION 8.2 DO NOT APPLY TO CLAIMS BASED ON: (I) FRAUD, FRAUDULENT MISREPRESENTATION, OR WILLFUL MISCONDUCT; (II) EITHER PARTY'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 9 OF THIS AGREEMENT; AND (III) EITHER PARTY'S PAYMENT OBLIGATIONS.

8.3 Any claims or damages that Company or its Affiliates may have against Auctane shall only be enforceable against Auctane and not any other entity or its Representatives.

9. INDEMNIFICATION

9.1 Each Party shall indemnify, defend and hold harmless the other Party and its Affiliates, and their respective shareholders and Representatives from all third party demands, claims, actions, causes of action, proceedings, assessments, losses, damages, liabilities, settlements, judgments, fines, penalties, interest, costs, and expenses

9.2 The indemnity obligations set forth in Section 9.1 or in any Program Exhibit are contingent upon: (i) the indemnitee giving prompt written notice to the indemnitor of any such Claim(s); (ii) the indemnitor having sole control of the defense or settlement of the Claim(s) (provided that, the indemnitor shall not settle or compromise any claim that results in liability or admission of any liability or involves injunctive or equitable relief by the other Party without the other Party's prior written consent); and (iii) at the indemnitor's request and expense, the indemnitee cooperating in the investigation and defense of such Claim(s).

9.3 If use of a product or service provided by the indemnitor or its Affiliates has become, or, in the indemnitor's sole determination, is likely to become, the subject of any Claim, the indemnitor may, at its option and expense, (i) procure for the indemnitee the right to continue using the applicable product(s) and/or service(s) as set forth in the applicable Program Exhibit; (ii) replace or modify the applicable product(s) and/or service(s) to make it non-infringing; or (iii) if options (i) or (ii) are not commercially reasonable or practicable as determined by the indemnitor, terminate this Agreement. The provisions of this Section 9 state the sole, exclusive and entire liability of each Party, and constitute the other Party's sole remedy, with respect to a Claim.

10. TERM AND TERMINATION

10.1 This Agreement will commence on the Effective Date and continue in full force and effect until the earlier of (i) the termination of this Agreement as set forth herein or (ii) the expiration or termination of all Program Exhibits ("**Term**").

10.3 Except as otherwise expressly provided in this Agreement or in any Program Exhibit, upon termination of this Agreement or any Program Exhibit, (i) all rights granted to the Parties in this Agreement or such Program Exhibit, as applicable, shall immediately cease, (ii) each Party must promptly remove all links to the other Party's websites and cease using all marketing materials, Confidential Information, trademarks, logos, and any other information or materials belonging to the other Party or otherwise related to such Program Exhibit, and (iii) each Party may take any and all action necessary to disable the other Party's participation in such Program Exhibit. The termination of this Agreement shall result in the immediate termination of all Program Exhibits. The termination of a Program Exhibit shall not result in the termination of any other Program Exhibits or this Agreement.

10.4 Provisions which by their nature should survive termination or expiration in order to be given full effect, including but not limited to the provisions of Sections 5.1, 5.4, 5.5, 6, 8, 9, 10.3, 10.4, 12 and 13 of this Agreement, will survive such termination or expiration of this Agreement.

11. RELATIONSHIP OF THE PARTIES

11.1 The Parties to this Agreement are independent contractors, and this Agreement does not create any partnership, joint venture, agency, franchise, sales representative, or employment relationship between the Parties or impose any liability attributable to such a relationship upon either Party. This Agreement does not grant either Party any right, power, or authority to enter into any agreement for, or on behalf of, or to create, assume, or incur any obligation or liability of, or to otherwise bind, the other Party or the other Party's Affiliates. In no event shall either Party take any actions that would expressly or impliedly create the impression that such Party is an employee or agent of the other Party or the other Party's Affiliates. Without limiting the generality of the foregoing, neither Party has authority to make or accept any offers or representations on behalf of the other Party or the other Party's Affiliates, and neither

Party shall make any statement, whether on its website or otherwise, that reasonably may be deemed to contradict this Section.

11.2 Unless otherwise agreed in a Program Exhibit: (i) this Agreement does not create an exclusive relationship between Auctane and Company; (ii) this Agreement is not intended to restrict or prohibit a Party or its Affiliates from marketing or selling any products or services to any actual or potential customers of the other Party or the other Party's Affiliates, even if such products or services are similar to or competitive with one or more of the products or services marketed or sold by the other Party or the other Party's Affiliates; and (iii) each Party acknowledges that the other Party or the other Party's Affiliates may, directly or indirectly, (A) market or sell various products or services that are similar to or competitive with one or more of the products or services marketed or sold by such Party or its Affiliates, and (B) at any time during or after the Term, enter into relationships or arrangements with third parties on terms that may be similar to those contained in this Agreement; provided, that, in each case, such other Party and other Party's Affiliates do not breach their respective obligations under this Agreement, including without limitation, any confidentiality obligations.

12. MISCELLANEOUS

12.1 Any notice required under this Agreement shall be given in writing and shall be valid and sufficient if delivered: (i) on the second business day if by registered or certified mail, postage prepaid; (ii) on the same day if by hand delivery; (iii) on the next business day if by overnight courier prepaid; or (iv) on the same day if by acknowledged email. All notices to Auctane shall be sent to the applicable address specified in Section 13, and all notices to Company shall be sent to the address specified by Company in writing. Any notice of material breach hereunder shall clearly describe the material breach including the specific contractual obligation alleged to have been breached.

12.2 Neither Party may transfer, assign, or delegate any of its rights or duties under this Agreement without the prior written consent of the other Party, and any attempt to do so shall be void; provided, however, that (i) a Party may assign any of its rights or delegate any of its duties to an acquirer of all or substantially all of the equity or assets of that Party or the surviving entity in any merger, consolidation, equity exchange, or reorganization involving that Party, and (ii) Auctane may assign any of its rights or delegate any of its duties to any of its Affiliates. Notwithstanding the foregoing, if a Party is acquired by, sells all or substantially all of its assets to, or undergoes a change of control in favor of, a direct competitor of the other Party, then such other Party may terminate this Agreement upon written notice. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the Parties, their respective successors, acquirers, administrators, heirs, and permitted assigns, and is not intended for, and this Agreement shall not be construed to be for, the benefit of or enforced by any other person or entity.

12.3 This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and supersedes all proposals and prior discussions and writings between the Parties with respect thereto. This Agreement may be executed in counterparts with the same effect as if the Parties had signed the same document. All counterparts shall be construed together and shall constitute one and the same agreement. This Agreement may be executed and/or transmitted by the Parties by e-mail or a .pdf document or using electronic signature technology (e.g., via DocuSign, Adobe Sign, or other electronic signature technology), and, if so executed and transmitted, such agreement shall be for all purposes as effective as if the Parties had delivered a manually executed original of this Agreement. This Agreement cannot be waived, altered, amended, or modified, in whole or in part, except by a writing signed by an authorized representative of each Party. No failure or delay in enforcing any right or exercising any remedy will be deemed a waiver of any right or remedy.

12.4 Each provision of this Agreement is a separately enforceable provision. If any provision of this Agreement is determined to be or becomes unenforceable or illegal, such provision shall be modified to the minimum extent necessary in order for this Agreement to remain in effect in accordance with its terms as modified.

12.5 The headings of this Agreement are intended solely for the convenience of reference and shall be given no effect in the construction of this Agreement. Each Party acknowledges and agrees that prior to executing this Agreement, such Party had the opportunity to seek the advice of independent legal counsel and has read and understood all of the terms and provisions of this Agreement. This Agreement shall be deemed to have been jointly prepared by the Parties hereto, and shall not be construed against any Party by reason of being deemed the primary draftsman of this Agreement.

12.6 If the performance of any part of this Agreement by either Party is prevented, hindered, delayed, or otherwise made impracticable by reason of any flood, riot, fire, pandemic, judicial or governmental action (including, but not limited to, any law, regulation, or embargo prohibiting the performance contemplated under this Agreement or the failure or refusal of a government agency to issue a license required for any performance pursuant to this Agreement), labor

disputes, act of God, or any other cause beyond the reasonable control of that Party, the Party will be excused from such performance to the extent that it is prevented, hindered, or delayed by such cause. Notwithstanding anything in this Agreement to the contrary, the Party prevented from performing under this Agreement by a force majeure event will nevertheless use commercially reasonable efforts to recommence its performance under this Agreement as soon as reasonably practicable.

12.7 Use, duplication, or disclosure by the United States Government is subject to restrictions as set forth in applicable laws and regulations. Use of the services provided under this Agreement constitutes acknowledgment of Auctane's proprietary rights in them. The services may contain other proprietary notices and copyright information which should be observed.

13.2 If Company's domicile is the U.S.A. or Canada, the following provisions shall also apply: Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in the County of Travis, Texas, before a single arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having subject matter jurisdiction. This clause shall not preclude the Parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction identified in Section 13.1. The Parties adopt and agree to implement the JAMS Optional Arbitration Appeal Procedure (as it exists on the effective date of this Agreement) with respect to any final award in an arbitration arising out of or related to this Agreement. In any arbitration arising out of or related to this Agreement, the arbitrator shall award to the prevailing Party, if any, the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the arbitration. If the arbitrator determines a Party to be the prevailing Party under circumstances where the prevailing Party won on some but not all of the claims and counterclaims, the arbitrator may award the prevailing Party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing Party in connection with the arbitration. The Parties acknowledge that this Agreement evidences a transaction involving interstate commerce. Notwithstanding the provision in Section 13.1 with respect to applicable substantive law, any arbitration conducted pursuant to the terms of this Agreement shall be governed by the Federal Arbitration Act (9 U.S.C., Secs. 1-16).
